DrumQuik® 3-Port Universal Dispensing Adaptor (UDA) is an easy-to-use product for extracting liquids and chemicals from rigid containers in end-use applications. The reusable dip-tube can easily be moved from one container to the next without messy drips or spills and is more cost-effective than stainless steel “stingers.”

The 3-Port UDA features a 3/4” male NPT thread that mates with common containers, bung plugs and caps. The adaptor ports enable simultaneous chemical extraction, venting and application of blanket gas or air. In addition, the third port can be used to recirculate priming chemical to the container in metering pump applications. DrumQuik 3-Port UDA facilitates easy, spill-free drum changeouts and offers unprecedented flexibility in a closed system for safely dispensing chemicals. Optional system components including foot valves, air filters and vent check valves are also available.

**Specifications**

**Pressure:**
Vacuum to 120psig.

**Temperature:**
32° to 120°F (0° to 49°C)

**Clearance Hole Diameter**: 1.06” (27mm)

*For cap applications*

**Materials:**

- **3-port UDA and nut:**
  - Food grade, virgin polypropylene
- **O-ring:**
  - Food grade EPDM (FKM optional)
- **Dip-tube:**
  - Food grade, virgin polyethylene (HDPE)
- **Bushings and plugs:**
  - Black glass-filled polypropylene

**Applications:**

- Acids, caustics and solvents
- Agricultural pesticides and fertilizers
- Institutional cleaning chemicals
- Paints and coatings
- Fragrance production
- Edible oils and flavorings
- Pharmaceutical sterilants and chemicals
- Waste water treatment chemicals

Can be used with many standard Colder quick disconnect couplings and standard bung plugs and bottle caps.

DrumQuik® UDA 3-Port System

- 1/2" NPT Liquid Port
- 3/8" NPT Recirculation Port
- 1/4" NPT Vent Port

Dip-tube

N56 Non-spill Coupling

Additional System Components Available Separately

- ✔ Bung plugs & bottle caps with integral 1/4" NPT thread
- ✔ Air filter, vent port
- ✔ Check valve, vent port
- ✔ Reducer bushings
- ✔ Foot valve for dip-tube
- ✔ Quick disconnect couplings
